INSURANCE DISCLAIMER

As a courtesy, our office will submit claims electronically to many different insurance companies and plans. However, you are ultimately responsible for the cost that are not covered by your insurance plan. **This include but not limited to frequencies, exclusion, limitations and downgrades from the insurance company. Every PLAN is different, we try our best as a dental provider to get the most information we can from the insurance companies, but all determination and finalization are subject to change due to the insurance policy.**

Please call the phone number listed on your insurance card if you have any questions about the amount of coverage you will receive for services render by the dental provider in our practice.
